

**GOOD OUTLOOK FOR  
ALL UPPER GLADES  
IN COMING SEASON**

## Sometime Somewhere In Eight Months

Land Has Ample Moisture

## Less Competition

The outlook for the upper Gladwin and the Lake Okkechobee region

judged by fair standards and in comparison with other regions and considering the state of affairs in the country as a whole. This region is going to get by in pretty good shape.

Acreage may be below that of last season and prices may be lower and it may be a hard winter as regards weather, for there may

On the other hand, the acreage may not be reduced, prices may hold up, and the chief effect frosts may be no more than to curtail the production and raise the price because of the scarcity created by the frosts.

The land may be flooded by unusual seasonal rains but if it is, the markets will not be flooded with excess production.

Supply of home-grown seeds is very small and financing is hard to obtain than in several years but the effect of this will be to raise the price and prevent the

Not everybody in the country broke—there is still some money in the big cities of the north, and some of that money will be spent for Lake region vegetables.

Quotation of \$1.75 to \$2.25 Jacksonville for Stringless beans good to ordinary, shows that there are no beans in that territory. Jacksonville is not a good market.

September it means that beans have to be shipped in. Within six weeks before the Lake region is shipping there will be a further scarcity and the market ought to open at above \$2 and hold around that figure for some time.

The Lake region always has at least three cracks at the market—fall, winter and spring, and some part of the eight months the region is bound to hit a period of good demand.

White fly and some other insects have been wiped out in

### WESTERN TOMATOES

Green-wrapped tomatoes bought in the Wapato, Wash., district for 60 cents a fag, could not stand transportation charge and be sold at the cost of the fruit f. o. b. so the packing houses closed. The stuff was sold to near-by markets in 18-pound boxes at 15 to 16 cents.

## THEATRE BUILDING

### NEAR COMPLETE

The theatre building Her Gold is erecting in Belle Glade is nearing completion, placing of ceiling-starting today, and showing of pictures can start by middle of October if local business conditions make that opening proper.

Plans for the Belle Glade theatre were made by Addison Miller, the Palm Beach architect who attained international recognition and the building, lot and furniture and equipment represent

300,000. The winning bid was \$750,000. Looking at the possibilities of spectacular shows and the spectacle drama being presented, the prize is amply large for any use the building may be called upon for.

Located in the center of a populated district, accessible by points west on state road No. 1 and the islands and the Palm Jumeirah, the West Palm Beach theatre has prospects of a business the year round. Gold's judgment that the prize will prove profitable is backed by his successful experience with the Prince theatre at Palm

## "NEVER FORGET TO HAVE A PENNY"

"Let honesty be as the breath of thy soul, and never forget to have a penny when all thy expenses are paid; then shalt thou reach the point of happiness, and independence shall be thy shield and buckler thy helmet, and crown; then shalt thy soul walk upright. Nor stoop to the silver ring because he hath riches, nor pocket an abuse because the hand which offers it wears a ring with diamonds."—Benjamin Franklin

## BANK OF PAHOKEE

PAHOKEE, FLORIDA

COMMERCIAL AND SAVING ACCOUNTS INVITED

## PAHOKEE

H. V. Partlow, formerly of Port Payne, Ala., has taken a position with Doyle W. Crocker of the Glades Supply Company seed store.

Miss Myrtle Jensen, daughter of Mr. and Mrs. Nels Jensen, left Saturday morning for Gainesville to attend school. She was taken care of by Miss Patterson, a waitress board worker. The Jensens occupy Guy Shanon's house on the ridge.

The Glades County Democrat records that Dr. and Mrs. D. M. Dring and children of that town attended the Pahokee morning picture theatre, one night last week. Eldon Messer will go to Wauchusa Sunday to attend a meeting of the Hardee County Singing Convention. He has just completed the erection for Carter of a two-story office building near the standard Oil Station that is admirable in its arrangement and construction.

Mrs. Edgar Miller of West Palm Beach was the guest last week of her sister, Mrs. W. H. Keys.

Mrs. and Mrs. Gus Creamer of Torrey Island were callers in Pahokee this week. He came over Monday to look at some of the horses J. C. Stigler has for sale.

Miss Alta Chasault, a former teacher in the Pahokee school, was visiting friends in Pahokee and Canal Point. She is now teaching at the Jacksonville schools.

Miss Edith Crawford, of Oklawaha, is the house guest of Miss Dorothy Joy York.

The emotional experience millions of women have awaited, Edward G. Robinson in "Two Weeks" at the Prince Theatre, Saturday and Sunday.

Cliff Greeng, landscape architect and agriculture expert at the state prison farm returned Monday night from a week's trip to Jacksonville, Live Oak and Raiford.

Miss Susie Maxwell, who was graduated from the Florida State College for Women in June, left recently for Cleveland, where she will teach in the science department of the Cleveland school.

Mrs. J. B. Elliott, Miss Lorraine Whitsett, Mrs. J. C. McFarley and daughters Betty Jean and Jo Anne spent Tuesday in West Palm Beach shopping.

Misses Verneette and Elizabeth Stuckey, daughters of Mayor Stuckey, left Sunday for Tallahassee where they

## CANAL POINT

Andy Milliken went to Miami on business Wednesday and returned yesterday.

Mr. and Mrs. Jack Barrett and their son, Joe, who were on a boat, visited West Palm Beach on Dollar Day.

Professor and Mrs. J. B. Harrington of Moravia, Ga., who were guests of his brother, A. R. Harrington in Canal Point, left the first of the week for Atlanta, Ga., where he is an assistant in history in Emory University. Professor Harrington is an instructor in a college in north Georgia and has a year's leave of absence to do special work at Emory.

Some persons have more luck as fishermen than others. A negro was caught 140 fish from the canal bank one day and 50 fish the next. Persons alongside of her did not do so well by any means. If she changed her luck she got as many fish one place as another.

M. Peoples of Oklawaha was a business visitor in Canal Point last Tuesday.

C. W. Stalla of Moore Haven was a visitor to Canal Point this week, calling on Mr. and Mrs. M. L. Smith, left to E. Frosty for Poplarville, Miss., where he will resume his work as coach in Poplarville college.

Miss Ruth Simmons, accompanied by her parents, Mr. and Mrs. R. J. Simmons, left by car Monday for Lakeland where Miss Ruth will enroll in Southern college.

E. L. Vaughn of Center Hill has been named as a candidate for the office of alderman in the Canal Point-Pahokee district.

Miss Ruth Simmons, the daughter of the Delray Beach house, the Pahokee theatre is the only theatre operating in Palm Beach county. Lake Worth has not had a show house in operation for several months and when the Kettler closed in West Palm Beach two weeks ago, the county seat was left without a moving picture house.

Blackstone Lambert of Birmingham is here to spend the winter with his sister, Mrs. Wallace Spooner.

Mr. and Mrs. H. Bailey and daughter Miss Valeria of Lake Worth, and Mrs. Dorothy Joy York of Pahokee, were luncheon guests of Mr. and Mrs. S. B. McDowell Sunday.

Mr. and Mrs. Axel Jensen and daughters Betty Jean and Sibylle Marie and Mr. and Mrs. Edward Jensen and daughter Betty Ann spent Sunday in White City, visiting Mr. Axel Jensen's sister, Mrs. E. J. Jensen.

J. R. Hudspeht, who is farming on Krummer island, spent the week-end here with his sister, Mrs. A. H. McDowell.

Mrs. Paul Burdewah and children, Paula and Ruth of Oklawaha returned home Sunday after having spent the week-end with Mr. and Mrs. Joe A. Tolle, recently arrived in Pahokee where Miss Gates will teach in the Pahokee schools during the coming year and Laurie Gates will resume his studies as a senior.

Th. Rev. and Mrs. A. J. Rodgers have returned from Miami, where they have visited relatives.

Frank Hobson, who returned from his home in Tennessee to resume his work as coach in the Pahokee high school.

A student playing a heartless game of stalling his fellowmen. A man's amazing courage and a woman's devotion. See "The Most Dangerous Game," at the Prince Theatre, Tuesday and Wednesday.

## Settlement Discloses F.E. Bryant Insolvent

Settlement of a \$5,000 stock assessment against F. E. Bryant, formerly stockholder in the First Bank of Lake Worth, for \$200 in cash and a receiver's certificate for \$300 in stock, was announced last night. The settlement set forth that Bryant was insolvent.

## DIAMOND BALL

Hudson 3, T. & B. 0  
Playing at Pahokee Saturday afternoon. Hudson Mercantile Company won from Thomas & Barrett 3 to 0.

The 16-inning game at Pahokee Sunday afternoon, between spectators to be the greatest game in the history of diamond ball in south Florida. Hudson Mercantile Company team won 6 to 3, but the B's Automotive Service team still leads in percentage, retaining its position at the head of the list in the table of standings.

The players on the winning Hudson team were: McClelland, at Cobb 3, Pelack 3, O'Connell 1, Gibbens 3, Graham 4, and pitcher Soliman. Hudson's Watson pitcher, Sherrod 1, Rosenberg played short when Graham was out of the game.

On the B's team were: Stewart 2, Heck Larimore 3, Muck 3, F. Carr pitcher, Hugo 1, L. F. Spooner 3, F. Baxter catcher, Jacobs 3, a. Shag Spooner 3, B. Herring first b.

For Home, Graham relieved Watson in the seventh inning. O. K. Carr worked the entire 16 innings. The interest in this diamond ball game was started when McClelland and Cobb hit safely and scored on O'Connell's home run.

The score was tied 4 to 4 at the end of the sixth inning and stayed that way until the eighth inning, when Hudson scored three runs in the eighth inning, and Jacobs. The score again was tied in the next inning when Pelack, O'Connell and Gibbens knocked out Hudson's Watson pitcher, Sherrod 1, Rosenberg having stolen from second to third and being brought home by McClelland.

Several of the players in the game are old-timers in East Beach baseball. In the sixteen innings there were only six errors, three to the side, Hudson's Watson pitcher, Sherrod 1, Rosenberg having stolen from second to third and being brought home by McClelland.

## COMMUNITY GOSSIP

An 8-year old Lake Worth boy got mad at his mother and rode his bicycle 47 miles to Canal Point to seek sympathy from his aunt, his mother's sister. Friends of the family riding in cars met or passed him on the road, but he refused a ride and placidly pedaled on. He wasn't afraid of being overtaken by nightfall. It had a tail light on the bicycle and the handle bars shined at night," he said.

Ducks that loaf on the lake front road don't pay attention to an automobile horn. They don't duck when a car comes along.

It was a long time ago that the saying originated that "Whistling girls and growing hens will come to no good end," but a crowing hen that W. H. Baker has at his home north of Canal Point found to a good end for she lays as many eggs as any other hen. W. H. Baker was telling about his crowing hen. "I got a woman governor. Now that W. H. Baker has a crowing hen in Florida, look out that Ruth Bryan Owens isn't elected governor here."

It was a long time ago that the saying originated that "Whistling girls and growing hens will come to no good end," but a crowing hen that W. H. Baker has at his home north of Canal Point found to a good end for she lays as many eggs as any other hen. W. H. Baker was telling about his crowing hen. "I got a woman governor. Now that W. H. ## WILL SAND-SPURS GROW IN MUCK?

Did you ever see any sand-spurs growing in the muck? Some persons say they think they have and others are positive they have not. Sand-spurs grow in the muck of the ridge and on the shoulders of highways where sand was brought in to make a cushion for the rock surface, but the question is, did you ever see sand-spurs growing in the muck soil of the Everglades?

There is a thorny careless weed and there may be other growths that have sprung on them, but this inquiry is related to sand-spurs. It's an important question. Trappers who have farmed on the east coast know how much trouble sand-spurs give in bean fields, for a picker can't kneel down in a field infested with sand-spurs. Considering how luxuriantly weeds grow in the muck soil, think what would be the state of affairs if sand-spurs got established in the Everglades muck's bean fields?

John Forman, chemist with the sugar company, says it is the practice to "rope" the road bed of the company's railroad, that is to have laborers pull up by hand all of the sand spurs between the ties and the rails to keep the pest from extending to the cane fields, but Tom Moody says sand-spurs won't grow in muck soil.

So, how about it? Will sand-spurs grow in muck?

By J. B. Cox, Principal.

The parade of the hundreds of school children will be witnessed Monday morning when the schools of the Everglades will open. The Canal Point school looks for a most successful year, as it is opening under an auspicious outlook.

The grounds and all of the classrooms have been renovated to such an extent that they are quite inviting to both teacher and pupil. Some changes will be in evidence for this school term. The entire agricultural department will be in the Canal Point school, under the able direction of Mr. Spooner. This will give him an opportunity to concentrate his attention on his classes near his laboratory grounds.

The school this year will be under the direct supervision of Mr. Cox. He will be assisted by an able corps of teachers. All of the appointments have not been made as yet, but the following are listed thus far: Adeline Holmes, Ruth Royal, Gertrude Page, Eva Holt, Sue Rodgers and E. McClelland.

The children in the eighth grade of Canal Point will report at the Canal Point school as usual. The eighth grades of Pahokee will report at the high school. Registration and opening of school will take place at 8:30 Monday morning.

Notices For Opening Day  
1. All children will please report for registration Monday.  
2. Pupils from other schools will have to present a copy of statement from former schools before entering, or take entrance exam for the grade for which pupils wish to enter.  
3. Pupils doing satisfactory work during summer under a certified

teacher will be promoted by presenting a statement of work done by the teacher.

4. Parents of pupils in grades 1, 2 and 3 will please send such information as: Name of child; parents' name; date of birth; parents' address; parents' occupation.

5. Parents will please not enter any child who is not six years old by December 1.

6. Eighth grade students will use the same arithmetic, history, English and spelling as was used last term; but will purchase all other texts through Mr. Milliken at the Canal Point drug store.

7. Seventh grade students will use new books entirely, which may be purchased through Mr. Milliken, or Halley & Griffith at West Palm Beach.

8. Pupils bringing lunch to school need not bring lunch Monday as the season will be short.

9. All pupils will please get such information from parents as registration in notice No. 4 for the registration.

10. All rooms have been numbered by numbers which indicate the grade to be taught in that room.

11. All seventh and eighth grade students will please get in touch with Mr. Milliken immediately upon reading this notice and have him order the required books. All classes will begin Tuesday.

12. All seventh and eighth grade students will please get in touch with Mr. Milliken immediately upon reading this notice and have him order the required books. All classes will begin Tuesday.

13. All seventh and eighth grade students will please get in touch with Mr. Milliken immediately upon reading this notice and have him order the required books. All classes will begin Tuesday.
